

# COSMOS

FALL/WINTER COLLECTION 2011

Summer was vanishing... She walks on the beach at night with the shoes on her hand, feeling a cold breeze, when the dark blue sky arrived...

She sees the lights of the City... far, she hears the music... she dance and dance smiling to herself.

Finally, she lies down on the cold but cozy sand... She looks up... to the sky, to the stars... how they enlighten everything...

She just Fell into COSMOS...
